## **Road Safety Outside School / Parents Driving**

Dear Parents / Carers,

Just another quick reminder about parking on Dryclough Road and dropping off/picking up at the start and end of the day.

Parents are not allowed to stop under any circumstances on the yellow zig-zag lines, even if it raining. It is illegal and dangerous for your children and the children of others. I've had many complaints this term so far from concerned parents about the behavior of a small minority of parents who feel they can disregard the law in this matter.

I am working with the Police and the council to enhance patrols in the area. Several parents have been issued fixed penalty notices for stopping on the zig-zag lines and many others warned.

**As a school we work very hard with your children in terms of helping them to understand how to keep safe. We can only do this effectively if you, as parents, take your responsibilities seriously to model safe, correct and legal behaviours for your children.**

If you do decide to drive your children to school rather than walk (most children live less than 10 minutes walk away) it will do them no harm to walk for a few minutes with you to school from a safe and quiet parking spot.

If you wish to speak to me or a member of my senior leadership team about this issue, then please feel free to call into school.

Yours sincerely,

Mr Bendall  
Headteacher
